## Guest Speakers

### EVERYONE CAN BE A STAR • ANN MINCEY

*If you knew you were star, right where you are-would you recognize your own potential? Would you act on it?* Let Redken's Ann Mincey, one of the country's most prominent female executives and inspiring speakers, take you on a journey of self-discovery, self-acceptance and joy.

"Each of us is a 'star,'" says Ann. "Like a star, there are five glow points to an enriched life — your body, mind, relationships, resources, and services." Learn how to contribute fully, feel fulfilled, and give more so that in turn you can be the best you can be in all that you do!"

Ann Mincey's book *Get Glowing! You Are A Star Right Where You Are* provides inspiration on how to live in alignment with your value system and be forgiving and grateful for the unlimited love that energizes you to serve others.
